“ We participated in TTJ TRAVMART in Hyderabad and Bengaluru. It is a good platform to connect with so many new and diverse range of agents from these markets in a short time. The event was well managed and the organisers are genuine in their efforts to try and give maximum value to their exhibitors.

“ TTJ TRAVMART is a good opportunity to meet buyers and increase business in the market. The event helps in building a good relationship with the clients. It was a great pleasure to exhibit at the TTJ Raipur and I would like to thank Ravi Sharma, Gurjit Singh and the team for organising such a perfect event at Raipur.

Sanyukta Roy

Business Development Manager Globus Holidays

“ TTJ TRAVMART in Raipur was an extremely well-coordinated event, arranged by Team TTJ. Globus Holidays, being a Europe, UK and Scandinavia DMC, Raipur was a very fresh and interesting market. We met new agents from Central and Western India, to whom we showcased our product offerings and services and USPs of our pre and post-sales team initiatives. We look forward to working with our new agent partners from this market for all their travel requirements. Big thanks to the TTJ TRAVMART Team.

Umang Malbari

“ Discover Destinations is a US-based DMC with strong Indian roots and a deep understanding of the requirements of the Indian traveller. This is our second year of being a part of TTJ TRAVMART and we feel it is a systematic and well-executed platform that fits in perfectly with our marketing plans. Our Tri-City South India marts with TTJ checked all the tick boxes on our list.

“ After we opened Thailand for tourism in 2022 we have had fantastic results from the Indian Market and hopefully, by the end of 2022, we will have 1 million Indian tourists which is one of the highest for Thailand. TTJ Travmart has been a great platform for us to meet and interact with so many agents in such a short time.

“ TTJ TRAVMART in Lucknow was extremely well-organised. This was our first TRAVMART, and we found out that Lucknow and Kanpur were very fresh, productive, and interesting markets. Being a DMC for Andaman, Bhutan, Northeast, and CIS countries, we strongly look forward to business associations and support from Uttar Pradesh trade partners. Thank you to the TTJ TRAVMART team for making us aware of these markets and striking new collaborations.

Nirmalaya Chaudhuri

“ We have been regular at TTJ TRAVMARTs and the Raipur mart was very fruitful for us. We met new agents and forged new relationships. The event was very well organised and coordinated by Team TTJ, and received a great response from agents in and around Raipur, making it a rewarding experience.
